That any person who willfully and for profit shall infringe any copyright secured by this Act, or who shall knowingly and willfully aid or abet such infringement, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by imprisonment for not exceeding one year, or by a fine of not less than one hundred dollars, nor more than one thousand dollars, or both, at the discretion of the court.

Introductory

The twenty-first volume of R. L. Polk & Co.'s Des Moines and Valley Junction Directory is herewith presented.

POPULATION OF GREATER DES MOINES.

In this volume there are 45,090 names of individuals who resided in Greater Des Moines at the time the information was taken. Multiply this number by $2\frac{1}{2}$ —to allow for the names of women and children not included in the canvass—and we have a population of 113,720.

DES MOINES TODAY.

Government.—The city is under the operation of the Des Moines Plan of municipal government. Under the Des Moines Plan the entire government of the city is vested in a commission of five. One of this number is the mayor and the entire body constitutes the council. Each member is elected from the city at large upon a non-partisan ticket. The function of government is divided in five parts, each commissioner being the head of a department. The mayor is the executive of the Department of Public Affairs by virtue of his office. The initiative, the referendum and the recall are combined with government by commission in the Des Moines Plan.

Des Moines is the political and commercial capital of the greatest wealth producing section in the world.

Over 175,000 visitors annually attend the State Fair.

Des Moines daily newspapers have a combined circulation of over 130,000 copies.

Des Moines farm and agricultural papers have a combined circulation of over 700,000 copies.

Des Moines insures more people than any city west of New York.

Over 8,000,000 tons of good steam coal is produced in and around Des Moines annually and the manufacturer is enabled to put fuel into his coal bins at a nominal cost.

Court house cost \$800,000; finest interior marbles in the west.

Fort Des Moines, only United States cavalry post in the country, lies five miles south of city and is connected by electric railway.

The state has here a capitol building costing \$4,000,000; historical building costing \$500,000; state fair grounds, representing \$2,500,000 invested; all the departments of the state government and headquarters for all the state institutions.

Advertising Des Moines—A copy of this Directory is placed by the publishers in the Directory Libraries of the principal cities throughout the country, whereby all the information contained in the work is placed at the disposal of the people of these cities for immediate reference. The benefit to Des Moines from this country-wide publicity is obvious.

DIRECTORY LIBRARY.

A Directory Library, supplied with current issues of the directories of the principal cities of the United States and Canada, is maintained by the publishers at their offices in the Iowa Loan & Trust Building, for the free use of patrons.

BUY IN IOWA

Quality and Price Being Equal

Printing

OUR establishment where we have our own corps of artists and designers and the largest equipment in the state for printing high class advertising literature, books, catalogs, commercial forms and stationery of every kind; places us in a position to render you a complete printing service that relieves you of all detail work in connection with it and guarantees the delivery of a finished product that will be forceful, attractive and business compelling.

The 'Phone will bring our man to you.

Lithographing

THERE is no lithographing house with superior facilities for doing high grade bank, insurance and commercial lithographing. If you will drop us a card or 'phone us we will show you that we are able to do a superior class of this work. Your money will stay here and you will get prompt, efficient service and a high quality of work, at prices that we do not believe you can duplicate elsewhere.

In buying lithographing from us, we are perfectly willing that you should insist on a better grade of work than you can buy elsewhere, because that is what we regularly deliver to our trade and we are willing that you should compare our samples with the samples of any other concern in the business, no matter where located.

Sales Books

WE make duplicating sales books and are prepared to deliver any quantity on short notice. We are equipped with automatic machinery of our own invention that enables us to sell these books at low prices. The fact that we are located right here in Des Moines enables you to buy this class of work in a much more satisfactory basis than you have ever been able to before. We specialize on grocery and butcher shop sales books, although we are in a position to furnish you any special form that may be required.

We are the only house in the state of Iowa that is equipped to do this work and as such, we would like the privilege of submitting our prices and qualities for your next order. Let us talk to you about it.

lenses are the most remarkable recent invention in the optical line. Each lense is a solid unbroken service. There is no cementing to cloud the glass, to offer lodging place for dirt, or to disfigure the appearance. The eyesight of youth is re-established, and to all appearances, **Kryptoks** are the same as the young folks' glasses with nothing to distinguish them from the latter except your own pleasant knowledge of their far-and-near qualities.

The Keeley Cure, 706 Fourth Street, Des Moines, Iowa. Established Twenty-two Years

Cures Nervousness and Craving for Liquor, Drugs and Tobacco

Alcohol paralyses the nerves, impairs the function of the brain cells and their diseased condition is the result. The Keeley Cure recognizing this diseased condition, believes that time is required for it's cure, as with any other disease. The general health improves from the beginning, the nervous system is built up, the nerve cells restored to their original impoisoned condition, and the craving for alcohol eliminated.

The Keeley Institute at 706 Fourth St., Des Moines, Iowa,
is the only Keeley Institute in Iowa, and the only
place in the State of Iowa where the

Genuine Keeley Remedies and Treatment are Given
